Dear Valued Customer,

Thank you for contacting CVS/pharmacy. Your e-mail has reached the Customer Relations Department. We appreciate the time you have taken to contact us with your inquiry.

CVS/pharmacy does accept manufacturers' coupons that have been obtained from manufacturer sponsored and/or authorized Web sites. The coupon should be complete and contain a bar code that can be scanned at the register. If the coupon does not scan, the cashier should politely inform you that we cannot accept your coupon. We do not allow manual overrides at the register for coupons printed from the Internet. CVS/pharmacy will not accept offers printed from unauthorized Internet postings or reproductions, copies, or facsimiles.

Thank you again for contacting us. We value your business and look forward to serving you in the future. Have a wonderful weekend!

Sincerely,

Danielle
